

Tequila Sunrise

By Don Henley and Glenn Frye

Ukulele Strum-Along

Key of F to play with video on:

<https://www.ezfolk.com>

[Verse]

[F]

It's another tequila sunrise

[C] [Gm]

Starin' slowly 'cross the sky

[C] [F]

Said goodbye

[F]

He was just a hired hand

[C] [Gm]

Workin' on the dreams he planned to try

[C] [F]

The days go by

[Chorus]

[Dm] [Bb]

Every night when the sun goes down

[Dm] [Bb] [Dm]

Just another lonely boy in town

[Gm] [C]

and she's out runnin' round

[Verse]

[F]

She wasn't just another woman

[C] [Gm]

And I couldn't keep from comin' on

[C] [F]

It's been so long

[F]

Oh, and it's a hollow feelin'

[C] [Gm]

When it comes down to dealin' friends

[C] [F]

It never ends

[Bridge]

[Gm] [C]

Take another shot of courage

[Am] [D] [Gm] [A]

Wonder why the right words never co - ome

[Dm] [G]

You just get numb

[Verse]

[F]

It's another tequila sunrise

[C] [Gm]

This old world still looks the same

[C] [F]

Another frame
